Re: Planned Site Inspection, Garfield and Kane Counties

Dear Mr. Wilson:

On October 25 and 26th, Buzz Rakow, of the Bureau of Land Management, and Tom Munson are planning to visit the mining sites in the Garfield and Kane County areas. We would appreciate it if you could accompany them on the site visits of your projects.

Would you please contact Tom at (801) 538-5321 and inform him if you will be able to accompany them on these inspections, and which day will be best for you. Also, would you please provide us with your current phone number and address so that we may keep our records updated.

Thank you for your immediate response.

Sincerely,

A handwritten signature in cursive script that reads "Joelle Burns".
